(District 2) for a Class C Charter Certificate)	
of Public Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of a request, filed July 22, 2010, by Diamond Transport, Inc. d/b/a TMD Transport, Inc. ("Applicant" or "Diamond Transport") to reinstate Class C Charter Certificate of Public Convenience and Necessity No. 8008. Certificate No. 8008 was issued pursuant to Commission Order No. 2008-364 (May 19, 2008), which granted the Applicant authority to render motor passenger service. This Certificate was later cancelled upon the Applicant's request by Order No. 2010-155, dated February 24, 2010.

Diamond Transport now seeks to have Certificate No. 8008 reinstated. The original Application filed by Diamond Transport, which the Commission approved by Order No. 2008-364, provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations. Accordingly, we find and conclude that the previously cancelled Certificate should be reinstated. However this reinstatement is conditioned on compliance with all applicable

statutes and regulations, and that prior to such compliance, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

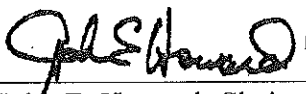

1. That Class C Charter Certificate of Public Convenience and Necessity No. 8008 of Diamond Transport, Inc. d/b/a TMD Transport, Inc. be, and hereby is, reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, the motor carrier services authorized by the Certificate shall not be provided.

4. That this Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
